ST GEORGE'S CATHOLIC SCHOOL
MIND • BODY • SPIRIT

25/09/2026

Dear Parents and Carers,

A Gentle Reminder

We know mornings can be busy, and that traffic and unexpected delays can sometimes happen. However, allowing a little extra time for the journey to school can help avoid a rushed start and ensure children arrive feeling calm, settled and ready to learn alongside their friends. Even a few minutes of missed learning each day can quickly add up over the course of a school year.

Please do factor in possible traffic and delays when planning your journey, aiming to leave home a little earlier so that your child arrives on time and ready for the day ahead.

Thank you for your continued support in helping every child make the most of their learning time.

Amenities and Swimming

A reminder that this term's contribution towards your child's swimming lessons is £10 per child. The £10 amenities contribution is also now due, which helps us to fund the exciting extra-curricular opportunities we provide for the children, including theatre companies, performers and visiting artists.

Please pay contributions to the school bank account, ending in 7152. Please quote reference 'S' for Swimming and 'A' for Amenities. Please contact the school office if you have any queries about this.

We are grateful for parents' support in making these payments at a time when running a pool is increasingly expensive, and the cost of providing extracurricular activities has increased.

The Wizard of Oz Production

Our recent performance of The Wizard of Oz by the M&M Theatre Company is an example of how the school uses the amenities money collected to provide enriching opportunities for our pupils. It was a lively event and the teachers reported that it was highly enjoyed by the children.

Issa in Year 4 commented, 'The actors were really funny. I really liked the show – it was my favourite!'

We also had Pete the Poet in school today, and he led some workshops around the school, culminating in a sharing assembly at the end of the day. Thank you for your support in helping us to provide opportunities such as these for the children to enhance the school's enrichment offer.

Tissue Appeal

As the colder weather arrives and the drippy noses begin, it's time for our annual reminder that tissues are an essential part of the school day! We ask every family to send in a box of tissues for their child's classroom to help us keep little noses clean and classrooms comfortable throughout the winter months. Thank you for helping us keep this lovely St George's tradition going and ensuring we're well stocked for the sniffle season ahead!

Flu Vaccination Walk-In Clinics

Somerset SAINT are holding some walk-in clinics for those children who didn't have the vaccination in school. A list of dates is attached.

Best wishes,

Edwina McDonnell
Headteacher
