Dear Parents and Carers,

Pre-School Gate – Safeguarding Reminder

It has been highlighted that the gate providing access from the pre-school into St George's School is sometimes being left open at the beginning and end of the school day. An open gate presents a safeguarding risk to pupils, and it is essential that this access point always remains secure.

We understand that families with pushchairs or prams need to use this gate for ease of access. Therefore, we ask that all parents and carers ensure the gate is closed securely behind them once they have passed through. Safeguarding is everyone's responsibility and we are so grateful for your cooperation in helping us keep our school community safe.

Best wishes for a happy half term. We hope you find some fun and a few adventures along the way!
